All attendees will have an opportunity to experience the BioMat and to reserve a 3-day or 1 week trial of the BioMat.

The Amethyst Bio-Mat is the only mat of its kind to combine **Far Infrared Rays, Negative Ions**, and **Amethyst** for a true mind, body, and spirit healing experience. The Amethyst Bio-Mat is a unique innovation in bio technology containing 17 different layers and more than 28 lbs. of amethyst crystals, which naturally produce and are superconductors of Far Infrared Rays. Individuals have been using the Richway Biomate to help them with a number of health issues, including:

- Reducing the duration of migraine headaches
- Soothing aching muscles
- Cancer
- Insomnia
- Chronic pain relief
- Detoxification
- Psoriasis or eczema

At this session you will learn about:

- The science behind the BioMat and its ties to NASA and Nobel Prize winning research
- The unique construction of the BioMat
- The therapeutic benefits of this healing tool

Special Features of the Amethyst Bio-Mat include:

- A computer chip which converts harmful AC current to direct current
- Amethyst effect
- Direct conduction of negative ions
- Human infrared (the only device to include this spectrum)

The Amethyst BioMat is a US FDA approved medical device.
